

WAGGGS Beetle Drive

How to play? Everyone takes it in turn to roll the dice and for each number they get they draw that part of the 'beetle,' but they must get a 6 to start! Keep passing the dice around and rolling until someone gets a full beetle – remember you need more than one number 2 and 3. You can keep playing – 6 rounds on this sheet and add up your scores each time to see who the overall winner is. Have fun!
