

## Dramatic Gestures

1. You've come first in a competition and won a holiday. You're very excited and want to tell everyone!
2. You're talking with your friend. You receive a phone call to tell you that your pet has been involved in an accident
3. Two of you are involved in a heated discussion about which programme to watch. You can't agree.
4. You're talking through a difficult decision with your friend. You have a new job but it means moving and you're not sure about it.
5. Parent and child. Child has done something that could have caused an accident. Parent is worried/angry/relieved that everyone is ok.
